

WPSD PARENT NEWS

WHAT'S HAPPENING AT WPSD?

Our Seniors continued their travels last week, visiting Put-In-Bay in Ohio for the weekend. The crew had a blast and created memories they will keep forever.

The big event the entire High School has been talking about over the past two weeks is PROM! The students looked amazing, dressed in their finest, and had a blast dancing the night away. Congratulations to our King and Queen, Walker R. & Samantha R.!

Our Middle School students completed the annual Pennsylvania System School Assessment (PSSA) Testing. The students worked hard and completed all the testing in Science, Math and ELA.

We hosted Bring Your Child To Work day on the 25th. It was a fun day for our staff's children to see what their grown-ups do on a daily basis and to learn a little bit more about WPSD. They were able to sample our Drones Program, STEM activities, Robotics, Art, and the TV Studio. And of course, we had lots of food!

Our Life Skills crew headed to the great outdoors for their annual camping trip on the 29th. The students and staff enjoyed spending quality time in nature and with each other!

ESports has expanded to Elementary School! First, Second and Third Graders have been invited to join and have been a wonderful addition to our already strong teams. We are thrilled to start working with the younger students.

Our Scouts troop took their annual trip to Camp Guyasuta on Monday, April 29th. It was beautiful, warm day that worked in their advantage during their ropes courses and other scouting activities.

The Track & Field team attended a competition in New Jersey at the Marie Katzenbach School for the Deaf last week and then this Saturday they are headed to St. Mary's School for the Deaf in Buffalo, NY. Make sure to always check our Instagram and Facebook for updates and photos.

It's the final month of the year - let's finish strong together!
